Bring Our War Dollars Home

To: All Wake County elected officials

We the undersigned Wake County residents are distressed by the deep and untenable budget cuts passed by the North Carolina General Assembly that have eliminated jobs and cut vital services.

We call on you to demand that our state and federal officials stop trying to balance the budget by placing the burden on the backs of the poor and middle class.

We especially ask you to demand cuts to our nation's out-of-control war budget, which will cost North Carolina taxpayers $15 Billion in 2012.
